

The "We Build People" campaign is about benefiting our community by providing YMCA scholarships to youngsters, families and seniors who could not otherwise afford the advantages of the YMCA.

Everyone has a place at the Y. The "We Build People" campaign is your opportunity to reach out to those in our community who need it the most.

Your support can make someone feel like a winner, inside and out.

You can have family and friends sponsor your ride or simply give to the scholarship campaign.
