Registration Necessities:

· Completed original registration packet, including all emergency information (per child).
· Parent's signature on the Youth Program Policy and Behavior Expectations/Discipline Policy form.
· First Sessions payment, Automatic Payment Authorization and $35 supply fee or payment in full. If registering for camp and approved for voucher, documentation must be on file.

Note: Registration will not be processed until all paperwork is completed and returned to the YMCA with appropriate payment.

Two Payment Methods available for registrations of multiple sessions:

1) Automatic Payment by Bank Draft or Credit/Debit Card due one week prior to the start of the session
2) Payment in full

These payment methods ensure that the financial obligations of operating a summer camp program will be met and your child provided with the best program possible. Financial assistance applications are available at the YMCA Membership Courtesy Counter. Applications must be received by May 1st, 2010 to be considered for financial assistance.

Please mark all sessions your child will attend day camp. Please keep vacation time in consideration when choosing sessions. Sessions can be added without an additional supply fee. However, cancellations must be made 2 weeks before the start of the session IN WRITING. Nonattendance does not relieve responsibility of payment. If you do not attend a session, without proper cancellation, your automatic payment will continue until written cancellation is received. You will be required to pay for the unattended session and pay for all sessions in advance to re-enroll in the day camp program. In addition, if a camper is dropped off for camp days that are not registered for, your account or card on file will be drafted that day for the full cost of the camp week plus a $10.00 late registration fee.
